Full Care Service

\$300/mo

All of the above services including Monday Turn out

Horses will be tacked and untacked for the rider. These services are offered Tuesday – Friday until 6:30 p.m., and Saturday 8:30 a.m. - 2:00 p.m.

Lay up Care

\$800/mo

Care for the injured or ill horse that needs long term (30 days or more) intensive daily care such as twice a day or more medicating or other services. The program encompasses turnouts, hand walking, or hot walker service Tuesday through Sunday per veterinary instructions. Our staff will also medicate (does not include cost of medication or bandaging), manage wound care and consult with the veterinarian. This service does not include late night colic watch.
